GENERAL INFORMATION

INTRODUCTION

International University of the East (IUE) is a private, nonprofit, nonsectarian, educational institution of higher learning offering graduate, undergraduate, and certificate programs, located in Los Angeles, California. The University is owned and operated by OM Meditation Center, Inc., a nonprofit religious organization.

Although IUE admits students regardless of religious affiliation, the University's mission is permeated in Buddhist history, practices, and traditions and has a mission to prepare students for Buddhist Studies and living.

The University strives to educate the whole person within the philosophical principles of "Om Buddhism stressing the values and the wisdom inherent in Buddhism. In recognizing the modus operandi of the university's community, it also strives to cultivate and understanding and appreciation of Eastern and Western cultures in the educational process.

MISSION

To enrich students in Buddhist values to nurture wisdom and compassion within the non-ethnic, nonsectarian, and culturally diversified perspectives.

VALUES

The values by which International University of the East (IUE) strives to be guided by are: Peace, Harmony, Responsibility, Compassion, and Excellence. It is the ideal of all connected with the university to be imbued with this value system in so far as their personal strengths allow. Buddhism goes beyond religion and is more of a philosophy or "way of life." Buddhist path can be summed up as one that:

- leads to a harmonious and moral life filled with compassion for others and to attempt excellence in what one does;
- is mindful and aware of thoughts and actions and to hold oneself responsible for these thoughts and actions; and
- develops wisdom and understanding through education and practice.

STATEMENT OF EDUCATIONAL PHILOSOPHY

International University of the East (IUE) strives to provide cohesive and integral educational experience for the growth of each student. In this growth process, both the student and the teacher learn from one another according to their educational and experiential strengths. The faculty of IUE does not limit their capacity only to the dissemination of knowledge to the students; rather, together they seek the truth for the life. In this search, education is a growth in wisdom and compassion to the mutual advantage to both parties.

Education is the exercise of mutual respect grounded in the teachings of the Buddhist tradition of the recognition of reality, honesty and acceptance. Education flourishes only when student and teacher alike accept each other as they are and respect each other for what they are and what they will become.

Education remains vital when the experience and the wisdom of education alter one's behavior in a positive way that reflects the knowledge that has been shared by those participating in the educational process. Education should be the catalyst by which individuals and communities increase the learner's practice of wisdom and compassion.

Education is a long process, sometimes a life-long process. It provides the individual an opportunity to relieve from ignorance and to attain a life of peace, harmony, responsibility, compassion, and excellence through educational and personal growth.

These principles applied to education reflect the spirit and the objectives of the living of life according to the Buddhist way. These will allow the university community to have a positive influence on the greater community of Los Angeles and, by extension, to the global community.

EDUCATIONAL OBJECTIVES

The University strives:

- To help students to acquire critical knowledge and insight, internalize Buddhist values with spiritual integrity, and exercise grace in every situation in an effort to impact the world.
- To value the importance of the role to educate and to disciple Buddhist leaders; the school emphasizes the development of character and conduct that reflects Buddhist-likeness.
- To accomplish, through a comprehensive program of theological and general education, and applied scholarship in practical environments to enhance the quality of life for the individual and the community.
- To develop the ability to follow the principles of Buddha based upon sound knowledge and theology.
- To learn to exercise critical and creative thinking skills which are necessary to analyze ideas and solve problems.
- To develop and to exercise personal sensitivities and interpersonal skills which facilitate harmonious relationships in ethnically and culturally diverse environments.

DOCTRINAL STATEMENT

IUE's Board of Directors and staffs every year confirm their accord with the Doctrinal Statements below:

The Four Noble Truths

1. The Truth of Suffering, or Misery: that suffering, includes birth, disease, old age, and death;
2. The Truth of the Cause: that suffering is caused by desire and by ignorance, which ultimately depend on each other;
3. The Truth of Cessation: that suffering can be ended if its causes, desire and ignorance, are removed;
4. The Truth of the Way: which is the "Middle Way" between the extremes of asceticism and indulgence. The "Middle Way" is also the "Eightfold Way," which is:

- Right Knowledge (or Views)
- Right Resolve
- Right Speech
- Right Conduct (or Action)
- Right Livelihood
- Right Effort
- Right Mindfulness, and
- Right Meditation (or Concentration).

Five Percepts

1. Not to kill;
2. Not to steal;
3. Not to be unchaste;
4. Not to drink intoxicants; and
5. Not to lie.

APPROVALS

IUE is a private, non-profit university operating under a non-profit exemption verified by the California Bureau for Private Postsecondary Education. IUE, as a university owned, controlled, and operated and maintained by a religious organization lawfully operating as a nonprofit religious corporation, has met the exemption from regulation under the Act, pursuant to California Education Code (CEC) section 94874 (e) (1).

The California Bureau for Private Post-secondary Education (BPPE) has a formal complaint process. If you have a dispute that you have not been able to resolve directly with the school, you may contact the Bureau at Bureau for Private Postsecondary Education.

CAMPUS LOCATION AND RESOURCES

Campus Facilities

Our campus is located at 3333 Wilshire Blvd, Suite 600, Los Angeles, CA 90010, in the heart of Koreatown in Los Angeles. The campus consists of three administrative offices, two classrooms, a meditation room, a library, and a reception/waiting area.

Library

IUE's library provides a small collection of academic works in Korean, Chinese, and English in the disciplines of theology, art, music, and social sciences. The library area is accessible from 9 a.m. to 4 p.m. from Monday through Thursday. Also, students have access to the Pio Pico – Koreatown Branch Library that is less than a mile away. This public library has an extensive collection of works and is available for student usage. Whenever possible, students are encouraged to bring his/her own laptop to IUE. If a student doesn't have access to a computer, students are welcome to use the computer available in the library.

Security and Safety

The building in which IUE is located is generally safe and secure. While this is generally true, all students and staff must be aware of any unusual activity which might put the community in danger. All unusual situations should be reported to the closest staff or the security guard of the building so that appropriate steps for safety may be taken.

INSTITUTION POLICY

NON-DISCRIMINATION POLICY

IUE does not discriminate on the basis of race, color, age, gender, creed, national or ethnic origin, marital status, sexual preference, physical disability, or any other legally protected status in the administration of its educational programs, admission policies, or any institution-administered programs and activities.

ACADEMIC FREEDOM POLICY

IUE is fully committed to the protection of academic freedom to inquire and to express truth in whatever forms it is found. A diversity of opinion, of course content and of teaching methods are welcome and seen as contributing to the growth of the institution and the professionalism of its faculty.

DRUG-FREE CAMPUS POLICY

It is the objective of IUE to establish and maintain a drug-free workplace and campus. Employees and students are forbidden to unlawfully manufacture, distribute, dispense, possess or use a controlled substance on campus grounds and in any of IUE's offices. Violations of this policy are grounds for disciplinary action as described in student Handbook, Faculty Manual, and Personnel Manual.

SEXUAL HARRASMENT

The university takes harassment very serious and any reported incident is reviewed by the Director of Academics and disciplinary action will be taken in cases where culpability rests.

Sexual Misconduct Policy

Sexual misconduct in all forms violates the sanctity of the human body, mind, and spirit and will not be tolerated within IUE community. All forms of sexual misconduct, sexual exploitation and sexual harassment are forbidden.

Sexual Harassment is defined as unwelcome conduct of a sexual nature that is severe or pervasive, and that creates a hostile or abusive learning, working, or living environment, thereby unreasonably interfering with a person's ability to learn or work, and the conduct has no legitimate relationship to the subject matter of an academic course or research. Sexual harassment also includes behavior not sexual in nature but behavior directed toward a person because of the person's sex and/or gender, including harassment based on the person's nonconformity with gender norms and stereotypes.

FREEDOM OF SPEECH

Freedom of speech is a fundamental American freedom and a human right, and there's no place that this right should be more valued and protected than in a university that exists to educate students. The right to speak freely in the expression of one's ideas is encouraged as long as the students follow acceptable norms. In problems in this area should be referred to the Director of Academics for resolution of the problem.

DISCIPLINARY POLICY

The primary goal of the IUE Disciplinary Policy is always to pursue the full restoration of the involved student. With this goal in mind, the suspension of a student from IUE is not a desired result, but suspension may occur, if a student shows an unwillingness to comply with or meet the objectives of a restorative action plan. Intermediate consequences are employed whenever possible to avoid suspension or expulsion. Each incident is reviewed on a case-by-case basis, with consideration of (1) the severity of the violation, (2) the context of the incident, (3) a history of prior misconduct, (4) the responsiveness of the accused to confrontation, and (5) the degree to which the individual displays genuine repentance.

Community members are expected to provide firsthand testimony that will bring greater clarity and understanding to the review. While painstaking efforts are taken to maintain consistency from case to case and individual to individual, confidentiality often prevents the disclosure of details that contribute to a decision, occasionally resulting in unanswered questions regarding a disciplinary outcome. Uninformed community members are asked to extend the benefit of doubt to officials, knowing that prayerful consideration has been employed in the proceedings and the subsequent outcome.

The Director of Academics serves as the chief student contact officer for the institution and works with other staff members to resolve student disciplinary matters. ministering consequences for violating community standards.

STUDENT SERVICES

JOB PLACEMENT SERVICES

IUE does not provide job placement assistance. However, IUE may refer any available positions to our students through emails from time to time. IUE does not guarantee job placement upon completion of our programs.

HOUSING SERVICES

IUE does not operate a dormitory or other student housing facilities. However, our staff is familiar with the residence hotels and apartments near the campus, the staff will assist students to find living accommodations suitable for student's needs and budgets.

IUE also refers students who are interested in homestays to "Universal Student Housing Homestays."

"Universal Student Housing Homestays

We have been successfully connecting international students and domestic students with host families through www.ushstudent.com for over 20 years now. We visit every homestay in person and conduct a thorough evaluation including but not limited to host personality, surrounding areas, home condition (exterior and interior), distance to school. Our families must clear a criminal background check before hosting with us. We carefully match your student's requirements (type of room/meal plan) and preferences (children/pets/smoking) to our homestays. At any time during your student's stay in the U.S. our staff is here to help: 24 hours a day, 7 days a week for any emergencies."

FACULTY ASSISTANCE

The faculty and staff at IUE are dedicated to your academic and spiritual growth and success. Professor will announce office hours at the beginning of each term. These hours are for you to discuss any questions that may have come up during lectures. Please take advantage of these times for they are for you. Also, faculty members are available by email, so feel free to contact them by email.

Some faculty members may provide their cell phone number in their syllabus. Please use discretion when contacting your professor outside office hours. In general, all faculty members prefer email when contacting them outside of office hours.

STUDY GROUPS

Some of the best and most rewarding assistance comes from your fellow classmates. IUE encourages you to seek help from other students in times of confusion or to prepare for examinations. Forming study groups that regularly meet to review notes and materials can be an invaluable resource. Students are able to discuss and review difficult subject matter and help each other succeed. If you are having trouble finding a study group, please contact your professor for assistance.

PEER TUTORING

Sometimes students who struggle academically can be helped best by other students. If you are not in a study group, you should consider joining. If you need more help than your study group can provide, contact your professor. Often, he or she can help you locate a volunteer peer tutor who may be able to help you with difficult material.

FINANCIAL INFORMATION

All tuition and fees must be paid in U.S dollars (\$). Students are required to pay tuition and fees at the time of registration for each quarter. IUE does not participate in any financial aid programs.

PAYMENT PLAN

All new students must pay tuition and fees in full at registration. Returning students who cannot pay tuition and fees in full at registration may request for Payment Plan. To qualify for the Payment Plan, the student's account from the previous Quarter must be paid in full. The student must pay at least 25 percent of the tuition and fees that are due in the current Quarter. The balance, plus a five percent fee, divided into three equal payments. Each of these payments is due on the 15th of the month (or the first business day thereafter) for the next three months.

REFUND POLICY

If you find it necessary to withdraw from IUE, the student may be eligible for a refund of part of the tuition. (The university does not give refunds of fees, nor does it give refunds for courses that are audited.) In order to qualify for a refund, the student must notify the Registrar's Office of one's desire to withdraw. As part of the withdrawal procedure, the student must settle all accounts. If one does not follow the withdrawal procedure he/she will receive a grade for all courses and will forfeit any eligibility for any tuition refund. Students who are dismissed or suspended from the college are not eligible for any refund.

The students have a right to a full refund of all tuition charges, less any fees for any placement and diagnostic testing, and \$100 for application fee (if applicable) if he/she cancels this agreement prior to or on the first day of instruction. In addition, the student may withdraw from a course after instruction has started and receive a pro rata refund for the unused portion of the tuition and other refundable charges once the student has completed 60% or less of the instruction.

The following method for calculating the pro rata refund is stipulated by the California Educational Code (CEC section 94820), which indicates that the hourly rate of instruction shall be calculated for the course based on total hours of instruction and tuition paid; this rate shall then be used to calculate the cost of instruction already received by the student for classes attended. The remaining amount (indicating classes not attended) shall be refunded, minus an allowable \$100 application fee, if applicable. If the school cancels or discontinues a course or educational program, the school will make a full refund of all charges. Refunds will be paid within 30 days of cancellation or withdrawal.

ACADEMIC POLICIES

ADMISSIONS POLICY

Admission Procedures

Applications for admission are taken year-round. Application forms are available online and from the Admission's Office.

Prospective students must contact IUE to obtain an application packet. The packet will contain the required application and forms needed for submission. The student must contact all relevant institutions for submission of proof of graduation attesting to their academic qualifications from undergraduate institutions for admission to the graduate program or submission of proof of high school completion for admission to the undergraduate and certificate programs. It is also the student's responsibility to ensure that all documents and forms are complete.

Admission decisions will be made with 21 days of receiving all required documentation. Students can be "conditionally" admitted to the University until all documents are submitted and fees paid. If an applicant does not accept their admission or fails to matriculate within one year of acceptance, the applicant will need to go through the admissions process again. This means that the applicant must resubmit a non-refundable application/registration fee, application, documents, forms and information required for admission to their selected program. Previous admission does not guarantee readmission.

Certificate Admissions

Student applying for admission to undergraduate programs must observe the following procedures:

1. Submit a completed and signed Application Form (*The application form can be requested from the Admission's Office or downloaded from the University website: www.iueast.org*)
2. Submit all documents that are required by the admissions office.
 - a. *Proof of Graduation*
All applicants must provide proof of completion of Bachelor's degree in order to qualify for admissions, such as official transcripts or certificate of graduation.
 - b. *Personal Identification*
All applicants are required to submit a photocopy of personal identification such as State driver's license, government issued identification card, and passport or any government issued photo identification.
3. Submit the \$100 Application Fee (non-refundable)

Certificate Transfer Applicants

Certificate applicants cannot transfer any credits.

Undergraduate Admissions

Student applying for admission to undergraduate programs must observe the following procedures:

1. Submit a completed and signed Application Form (*The application form can be requested from the Admission's Office or downloaded from the University website: www.iueast.org*)
2. Submit all documents that are required by the admissions office.
 - a. *Proof of Graduation*
All applicants must provide proof of completion of high school in order to qualify for admissions, such as official transcripts or certificate of graduation.
 - b. *Personal Identification*
All applicants are required to submit a photocopy of personal identification such as State driver's license, government issued identification card, and passport or any government issued photo identification.
3. Submit the \$100 Application Fee (*non-refundable*)

Undergraduate Transfer Applicants

Undergraduate applicants may transfer up to (60) semester credits or (90) quarter units. Transfer credits must be earned from a stated-approved institution or from an institution accredited by an accrediting agency recognized by the United States Department of Education. Applicants wishing to transfer courses from foreign institution must submit transcripts of earned credits. Only courses with a grade of "C" or better will be considered for transfer. Transcripts will be evaluated and awarded by the Director of Academics. IUE reserves the right to make a final determination on the acceptability of credits for transfer and application to its programs.

Graduate Admissions

Student applying for admission to undergraduate programs must observe the following procedures:

1. Submit a completed and signed Application Form (*The application form can be requested from the Admission's Office or downloaded from the University website: www.iueast.org*)
2. Submit all documents that are required by the admissions office.
 - a. *Proof of Graduation*
All applicants must provide proof of completion of Bachelor's degree in order to qualify for admissions, such as official transcripts or certificate of graduation.
 - b. *Personal Identification*
All applicants are required to submit a photocopy of personal identification such as State driver's license, government issued identification card and passport or any government issued photo identification.
3. Submit the \$100 Application Fee (*non-refundable*)

Graduate Transfer Applicants

Graduate applicants may transfer up to (16) semester credits or (24) quarter units. Transfer credits must be earned from a stated-approved institution or from an institution accredited by an accrediting agency recognized by the United States Department of Education. Applicants wishing to transfer courses from foreign institution must submit transcripts of earned credits. Only courses with a grade of "B" or better will be considered for transfer. Transcripts will be evaluated and awarded by the President.

REGISTRATION PROCEDURES

Registration is processed through the Registrar's Office. Students are to register in person during the scheduled registration days. Registration forms and the schedule of class are available at the Registrar's Office. Late Registration will be allowed through the second week of class and requires a late registration fee.

ENROLLMENT STATUS

To maintain full-time status, undergraduate students must register for 12 or more units per quarter, and graduate and certificate students must register for 8 or more units per quarter.

ATTENDANCE POLICY

All work missed due to absence or lateness must be made up to the satisfaction of the faculty in order to receive credit for the course. Faculty may, at their own discretion, arrange for make-up examinations, in cases of excused absence. Unexcused absence or lateness for an examination will normally result in a failing grade for that examination.

Excessive absence is defined as absences in excess of 20% of scheduled classroom hours in didactic courses. Faculty will report excessive absences to the Director of Academics. Students may be asked to appear before the Director of Academics and the faculty. Failure to appear at the meeting may result in a failing grade, and may also result in academic probation.

If the excessive absences are not classified as excused, the Director of Academics may:

1. Place students on probation, giving provisions for return to good standing,
2. Suspend students for the remainder of the class meetings with no penalty grade assigned. Any tuition to be refunded will be refunded per Refund Policy.
3. Suspend students for the remainder of the class meetings with a failing grade assigned.
4. Recommend to the President that students be dismissed.

TARDINESS

Tardiness is a distraction to a good learning environment and is discouraged. Faculty may reduce final grades based on excessive tardiness.

LEAVE OF ABSENCE

A leave of absence (LOA) may be granted for personal emergencies and other circumstances that require a temporary interruption in attendance. If a leave of absence is unavoidable, it is best to finish the current quarter before starting a leave.

A student who wishes to take a leave of absence must take the request prior to or on the first day of instruction by completing the Request for Leave of Absence form, with the exception of an emergency medical leave of absence. The leave of absence is effective only when the Registrar has acted upon the request and granted permission. A student who has taken a leave of absence without the Registrar's permission will not be considered as a continuing student without persuasive reason(s) and evidence to substantiate such reason(s).

Students that begin a leave of absence during a quarter, after add and drop period, will be assigned a grade of “W” for any coursework that cannot be assigned a final grade. Leave of absences may not be granted during a student’s first quarter. A leave of absence has no effect on satisfactory academic progress if no credits are attempted during the leave period. Students shall not be charged any sum of money for the leave of absence. For the purpose of refund calculation, leave of absences are not charged, and are based on the last day of attendance.

Students who do not return to enrolled status at the end of the approved leave of absence are no longer considered to be pursuing a degree. Students who fail to apply for Request for Leave of Absence, or for whom a leave has been denied or has expired, should refer to re-entry.

In any twelve-month period, IUE may grant no more than a single leave of absence to students.

Students taking a leave of absence must meet the following requirements:

- Student must be in good academic standing when requesting an LOA from the Registrar’s Office
- Student must submit a signed leave of absence form to the Registrar’s office prior to taking the leave
- Student must receive PRIOR approval from the Registrar’s office before withdrawing for courses

MEDICAL LEAVE OF ABSENCE

In addition to the requirements for a leave of absence, student must submit a letter from a licensed medical doctor, doctor of osteopathy, or licensed clinical psychologist recommending leave of specific quarter to the Registrar’s Office.

GRADING POLICY

IUE uses a 4.0 grading system to grade the quality of course work and to determine the grade point average. Any students receiving an “incomplete” grade will be given up to 10 weeks to complete the assignment. Any students receiving a “D” or below is responsible for creating a plan for improving his/her grade with his/her faculty. Student performance is evaluated by examinations, attendance, classroom participation, special projects, seminars, research works, etc.

Faculty members assign letter grades based on this table:

| | | | | | |
|--------|----|-----|-------|----|------------|
| 98-100 | A+ | 4.0 | 70-73 | C- | 1.7 |
| 94-97 | A | 4.0 | 67-69 | D+ | 1.3 |
| 90-93 | A- | 3.7 | 64-66 | D | 1.0 |
| 87-89 | B+ | 3.3 | 60-63 | D- | 0.7 |
| 84-86 | B | 3.0 | < 60 | F | 0.0 |

- A Excellent:** Superior knowledge regarding details, assumptions, implications, and history; Superior thinking with information relevant to application, critique, and relationship to other information.
- B Good:** More than adequate knowledge regarding technical terms, distinctions, and possesses an ability to use information.
- C Satisfactory:** Basic knowledge needed to function and carry on learning regarding major principles, central terms, and major figures. Also possesses an awareness of field or discipline. Note that a grade of C- may not be eligible for transfer and in most programs, does not constitute a passing grade.
- D Barely Passing:** Below average grade; may not be eligible for transfer.
- F Failure**

Grades are usually available within three weeks of completing a quarter. They are released to the student by the Registrar's Office along with a calculation of the student's semester GPA and cumulative GPA.

| | | |
|--------|--------|---------------|
| A/4.0 | 95-100 | Excellent |
| A-/3.7 | 90-94 | Superior |
| B+/3.3 | 87-89 | Very Good |
| B/3.00 | 84-86 | Good |
| B-/2.7 | 80-85 | Above Average |

| I*/0 | | Incomplete |
| W*/0 | | Withdrawal |
| R*/0 | | Repeated Course |
| IP*/0 | | In Progress |
| AU*/0 | | Audit |

* These grades are not included in the calculation of the student's GPA.

*Master programs: D and F (Failed Courses) =0 points

Credit (CR)

The grade of CR is used to denote “pass with credit” when no letter grade is given. This grade is assigned to a grade of C or better for undergraduate and a grade of B or better for graduate and certificate students. The CR grade is not included in the GPA.

No Credit (NC)

“NC” is used to denote “no credit” when no letter grade is given. NC grades are not included in the calculation of the GPA.

Incomplete Grade (I)

The faculty may assign the “I” grade when work is of passing quality but is incomplete for good cause. Assigning an “I” is at the discretion of the faculty, who is not obligated to do so. If faculty issues a grade of “I”, the remaining coursework must be finished by the last day of the next quarter. If the course is not completed, the “I” will automatically lapse to an “F”. It is the student's responsibility to discuss with the faculty the conditions and time frame for completing the course by the next term. The student is not to re-enroll in the course again unless the student receives an “F”. The grade of “Incomplete” will be marked on the transcript until the final grade is complete. However, it will not be calculated into the GPA. Once the completed grade is reported to the Registrar, the grade is posted and the final grade is averaged into the cumulative GPA.

Withdrawal (W)

Students may withdraw from courses during the first two weeks after classes begin without affecting their grade point average. Students thereafter are required to obtain permit from the Director of Academics to withdraw. Withdrawal from enrolled classes after the first two weeks with the proper withdrawal procedure will result in “W” grade recorded in the official transcript. No withdrawals are permitted during the final two weeks of instruction except in cases such as accident or serious illness. A grade of “I” will be automatically entered in the grade report if the student does not attend the final two weeks of class without being excused.

Withdrawal grades are not included in the GPA. A refund of tuition, if any, will be made in accordance with the Refund Policy.

Repeated Courses (R)

Any certificate and undergraduate course in which a grade of “C-” or below or any graduate course in which a grade of “B-” or below earned can be repeated once. The second grade, for better or worse, is calculated into the cumulative and term grade point average. (GPA).

Important Additional Restrictions

1. Students may repeat the same course only once.
2. Students may receive credit hours for a repeated course only once.
3. Undergraduate students will not receive credit for a course repeated after they have completed a more advanced course in the same sequence with a grade of “C” or better.
4. Graduate or certificate students will not receive credit for a course repeated after they have completed a more advanced course in the same sequence with a grade of “B” or better.

It is the recommendation of the University for students to consult with the Director of Academics if they have any questions about repeating courses.

Audit Courses (AU)

Students who wish to audit a class may do so with the permission of the Director of Academics. Students who wish to audit a course will be required to pay 50% of the tuition for the course. Approval to audit is given on a space-available basis. Students auditing a course must participate in class activities, but are not required to take examinations. Audit and other non-credit courses are not included in fulfilling requirements for satisfactory academic progress.

GRADE REPORT

At the end of each quarter, notification of students’ academic standing and report of grades achieved while in attendance at International University of the East are available upon students’ request. Grades are normally available within two weeks following the last day of the term. If there are any unpaid charges or other penalties on record against students, request for transcript and class grades will be withheld unless arrangements to the contrary have been made in advance with the administration.

GRADING PROCEDURES

Requirements for midterms and other examinations (written and oral), term papers, reports, projects, and other students’ activities are assigned by each faculty. Make-up examinations, retests, late submission of reports or other special arrangements are made only by the faculty, and only at the faculty’s discretion. Either the faculty or administrative staff can administer a make-up examination or retest.

Faculty is not required to offer make-up examinations, retests, or to accept late submission of work. It is fully within the faculty’s discretion to give a failing grade for any examination a student does not take on time, or for any report or other assignment a student fails to submit on time.

Failing an Examination

Faculty may recommend that a retest be granted. Such retests are scheduled at the convenience of the faculty. All retest must be completed before the end of the fourth week of the following quarter.

Failure to Attend an Examination

Without prior authorization by the faculty, failing to attend any examination shall result in a failing grade. No make-up examination can be authorized. Students must repeat the course, paying full tuition.

Students may be excused from taking a scheduled examination for the following reasons: childbirth, documented illness or injury, death in the immediate family, or other emergency situation acceptable to the faculty.

ACADEMIC PROBATION AND DISMISSAL

All certificate and undergraduate students must maintain an overall grade point average of at least 2.0 and all graduate student must maintain an overall grade point average of at least 2.3 on course work taken at IUE. A certificate or undergraduate student who falls below 2.0 and a graduate student who falls below 2.3 for the first time is placed on academic probation. Continued enrollment requires the Director of Academics' approval. If a certificate or undergraduate student on academic probation does not raise the cumulative GPA to 2.0 and if a graduate student on academic probation does not raise the cumulative GPA to 2.3 after two subsequent quarters, the student will be academically dismissed.

ACADEMIC LOAD

Certificate in Buddhist Meditation

A full-time load is considered to be 9 units/hours per quarter (For international students, 9 units/hours is the minimum). To achieve the completion of a program within the normal time frame, you should carry an average of 9 units/hours each quarter.

Bachelor of Religious Studies

A full-time load is considered to be 12-16 units/hours per quarter (For international students, 12 units/hours is the minimum). To achieve the completion of a program within the normal time frame, you should carry an average of 16 units/hours each quarter.

Master of Comparative Religious Studies

A Full-time load is considered to be 8 units/hours per quarter (For international students, 8 units/hours is the minimum). To achieve the completion of a program within the normal time frame, you should carry an average of 8 units/hours each quarter.

All courses typically require minimum of 1.5 to 2 hours of study time outside the classroom for each hour in class. You should consider other responsibilities when determining your academic load.

COMPLAINT RESOLUTION

When students have complaints about individual faculty members regarding a particular course requirement(s), examination(s), or grade(s), or regarding general issues such as teaching method and classroom conduct, they may bring the matter directly to the individual faculty member.

If a student is not satisfied with the faculty member's response, the student may bring the matter to the Director of Academics for a final decision. The Director of Academics will work with the student and the faculty member for a resolution of the complaint and must inform them of the decision in writing within two weeks.

CHEATING

Cheating is a violation of integrity and cannot be tolerated. Examples of cheating include copying from another student's paper or test, receiving information from a student who has already taken a test, giving another student information about a test, and falsifying a report.

Another form of cheating is plagiarism, which involves using someone else's ideas or words without giving credit. If one quotes material, the student must use quotation marks and an appropriate citation. If one paraphrases material, then one must use an appropriate citation.

A student found cheating will receive a "0" for the assignment or test and will be reported to the Director of Academics for discipline. Such discipline may include dismissal, as determined by the Director of Academics. If a student is aware of cheating or plagiarism, it should report it immediately to the faculty.

WITHDRAWAL

Unforeseen circumstances may require a student to withdraw from IUE. If this is your case, you should talk with the Director of Academics. If the situation does indeed warrant withdrawal and there are no other acceptable options, the student will be directed to the Registrar's Office to initiate the formal withdrawal process.

Withdrawal involves completing the withdrawal form, settling all financial accounts, and taking care of any other school business pertinent to the student. If refunds are due, they will be paid only if proper withdrawal procedures are followed.

A student who follows proper withdrawal procedures and whose reason for withdrawal is approved by the administration will receive W/P on his/her transcript for all courses the student is passing.

Otherwise, W/F will be assigned. The administration will seek to work in the best interest of the student when approving or disapproving a withdrawal.

A student who is suspended or dismissed from IUE for disciplinary reasons will receive W/F for each course in which he or she is enrolled.

Meditation practice is central to Buddhist spirituality. An overview is given of the concentrative practices of the Mahayana Zen/Pure Land traditions, the insight meditations traditions of Theravada Buddhism and the richly textured practices of Tibetan Buddhism that have had an impact on Americans as Buddhism expands out of its historic South Asian, East Asian homelands to the United States. Students are exposed to the meditation practices of the several Buddhist traditions, but are given extended training in the practices found in the Zen and Pure Land traditions. (Prerequisite: None)

BMN 502: History of Buddhism I (600 BCE to 1000 CE)

This course traces the history of Buddhism from its 5th and 6th centuries B.C.E. beginnings to approximately 1000 C.E. Attention is given to the life of Buddha Gautama and traces the formation of Buddhist scripture in the first centuries of the movement. The spread of Buddhism in South Asia and Southeast Asia is reviewed, giving attention to the distinctive historical formation of the Theravada, Mahayana and Tibetan Buddhist traditions. (Prerequisite: None)

BMN 503: History of Buddhism II (1000 CE to Modern Times)

The spread of Buddhism from 1000 C.E. to modern times is reviewed. Attention is given to the expansion of Buddhism into the United States in the last 150 years. Two paths of this expansion are considered. Asian Buddhist immigrants have brought their historic traditions with them, establishing Buddhist communities that have attempted to find their place in the American, western culture. Changes in U.S. Immigration law in the 1960s and refugee resettlement efforts in the seventies and eighties have dramatically expanded Asian migration with a subsequent expansion of Buddhist temples and educational organizations. Moreover, Buddhism entry to the United States has also followed the second path – the establishment of Buddhist study/meditation centers oriented to Mahayana, Theravada and Tibetan traditions that have been oriented to western followers. (Prerequisite: None)

BMN 504: Foundations of Buddhist Thought I

This course examines the basic tenants of Buddhism attributed principally to Gautama Buddha. The foundations of Buddhist thought found in all traditions from ancient to modern times are reviewed. The divergence of Buddhist thought into Theravada, Mahayana and Tibetan traditions is examined. Attention is given to the features of the three main Buddhist traditions and the diversity to be found within each tradition. (Prerequisite: None)

BMN 505: Foundations of Buddhist Thought II

The philosophies of historic major Buddhist thinkers such as Nagarjuna and, in modern times, the Dalai Lama are studied. The Buddhist thought of selected Buddhist scholars that have been established in the United States is examined. REL 150: Survey of New Testament

This course examines the literary, historical, and theological contents of the New Testament. Students read and analyze passages from the New Testament and discuss the literary and historical significance to modern day. (Prerequisite: None)

REL 155: Early and Medieval Church History.

This is an introduction to the history of Christianity from the patristic, post-New-Testament period to the medieval period and the early Renaissance. Principal themes include the emergence and meaning of early Christian beliefs and practices, their development during the Middle Ages, the social and cultural environments of the ancient, medieval, and early Renaissance church, and the trends leading up to the Reformation. (Prerequisite: None)

SCI 101: Human Health and Development

This course explores the physical, mental, emotional, and social aspects of human development from conception through adulthood. Relevant medical and physical situations of the twenty-first century will be explored. (Prerequisite: None)

SOC 101: Introduction to Sociology

In this course students will examine how people behave in groups and how group interaction shapes both individual and group behavior. They will analyze rules, organizations, and value

systems that enable people to live together. With this knowledge, they will apply these skills to presented problems in society. (Prerequisite: None)
